THURSDAY, JUNE 9, 2016  SPLIT, CROATIA
SESSION III: Joint Session with Members of the Croatian Society of Cardiology
ADVANCES IN THE PAST 12 MONTHS IN CARDIOVASCULAR DISEASE
Chairpersons: Drs. Cohn, Shahawy and Wenger, USA
Visits to Split University Hospital and Discussion:

10:00 AM  T. Kelly, MD  Hypertension and Sympathetic Over Activity

10:15 AM  Drs. Cohn, Shahawy and Wenger, USA  Current treatment of Dyslipidemia

10:40 AM  J. Cohn, MD  Prevention of Primary vs. Secondary Prevention of Cardiovascular Disease

11:00 AM  A. Curtis, MD  The changing landscape of medical education

12:20 PM  D. Milicic, MD  When Everything Else Fails: Heart Transplant

1:00 PM  M. Pohl, MD  Registry of Stable Plaque to Acute Coronary Syndromes

12:40 PM  D. Milicic, MD  Primary care messaging regarding lipid lowering medicine

11:20 AM  F. Zlatko, MD  Hypertension in the Elderly: Comprehensive Approach

11:40 AM  F. Zlatko, MD  Dyslipidemia: Continuity in Prevention and Treatment

1:00 PM  M. Pohl, MD  Therapeutic Advances for the Prevention and Treatment of DVT, Pulmonary Embolus, and Acute Cardiac Syndromes

12:30 PM  Dr. F. Zlatko, President Slovenian Society of Cardiology  Messages from the CORAL Trial

12:00 Noon  D. Milicic, MD  Cardiac Imaging the Right Principle for the Right Indication

11:30 AM  A. Delibeska, MD  Pharmacodynamics

12:00 Noon  L. Sperling, MD  Hypertension: Update European vs American Guidelines

12:45 PM  J. Cohn, MD  Pediatric Hypertension: Update European vs American Guidelines

1:00 PM  F. Zlatko, MD  Preventive and Primary Prevention of Cardiovascular Disease

1:30 PM  A. Delibeska, MD  The Right Procedure for the Right Indication

2:00 PM  M. El Shahawy, MD  New Data from Our Center (M. El Shahawy, MD)

2:30 PM  N. Wenger, MD  The Right Procedure for the Right Indication

3:00 PM  A. Delibeska, MD  The Right Procedure for the Right Indication

3:30 PM  A. Delibeska, MD  The Right Procedure for the Right Indication

4:00 PM  M. El Shahawy, MD  New Data from Our Center (M. El Shahawy, MD)

Sarasota, Florida

The intensive program is designed for cardiologists, internists, primary care physicians, emergency room physicians, nurses and other health care providers who manage patients with cardiovascular diseases.

The main sessions will be held in Venice, Italy, Split and Dubrovnik, Croatia and Belgrade, Serbia. June 7 -15, 2016. Optional tours will be June 6 and June 16 as outlined in the package. For more information on the travel program and available pre and post symposium tours, please call Admiral International at 1-844-1-888-722-3451 or email info@admiraltravel.com. Ask for Malaka Hilton. Complete trip information is posted online, www.admiraltravel.com, & www.authentescapes.com

This course is designed to present for the participants an update in cardiology with emphasis on current concepts for diagnosis and management of Cardiovascular Disease Prevention in the New Century. Distinguished faculty and guest speakers will discuss incorporation of these new developments into clinical practice. In addition to lectures, there will be case presentations to encourage discussion and audience participation. The topics include:

• Global Cardiovascular Disease Risk Factors
• Novel Approach for Optimal Management
• Metabolic Syndrome as a Major Killer
• Global Cardiovascular Disease Risk Factors
• Global Cardiovascular Disease Risk Factors
• Global Cardiovascular Disease Risk Factors

This Live Activity, 29th Annual International Cardiovascular Disease Prevention Symposium, is approved for 16.00 Hours C.M.E. by the Accreditation Council for Continuing Medical Education (ACCME) and by the Accreditation Council for Pharmacy Education (ACPE). All CPCAs must be completed and submitted prior to the completion of this activity. This activity is being broadcast in collaboration with the University of Minnesota, Center for the Treatment of Cardiovascular Disease Prevention

Anne Curtis, MD, FRHSD, FACC, FAHA
Professor and Chair, Department of Medicine
University of Minnesota, Center for the Treatment of Cardiovascular Disease Prevention

Annette K. Wenger, MD, MACC, MACP, FAHA
Professor of Medicine, Director, Rasmussen Center for Cardiovascular Disease Prevention

Michael D. Eisenberg, MD, MHS, FACC
Professor of Medicine, Director of Electrophysiology and Cardiac Electrophysiology Program, Maine Medical Center

John C. Mathew, MD, FACC
Professor and Chief, Cardiac Electrophysiology Laboratory, University of Florida Heart Institute

Michael G. Dax, MD, FACC
Professor of Medicine, Director of Cardiac Electrophysiology, University of Florida Heart Institute

Craig Presser, MD
Professor and Chair, Department of Medicine
University of Florida, Gainesville

Annette K. Wenger, MD, MACC, MACP, FAHA
Professor of Medicine, Director, Rasmussen Center for Cardiovascular Disease Prevention

Michelle E. Shaha, MD, MS, FESC, FSCCT, FASH, MAHK
Assistant Professor of Medicine, Division of Cardiology, University of Florida College of Medicine

Jay N. Cohn, MD, FACC
Professor and Chair, Department of Medicine, Morehouse School of Medicine

Anne Curtis, MD, FACC, FHRS, FFAH, FAHA
Professor and Chair, Department of Medicine, University of Minnesota, Center for the Treatment of Cardiovascular Disease Prevention

Jay N. Cohn, MD, FACC
Professor and Chair, Department of Medicine, Morehouse School of Medicine

Anne Curtis, MD, FACC, FHRS, FFAH, FAHA
Professor and Chair, Department of Medicine, University of Minnesota, Center for the Treatment of Cardiovascular Disease Prevention

Michelle E. Shaha, MD, MS, FESC, FSCCT, FASH, MAHK
Assistant Professor of Medicine, Division of Cardiology, University of Florida College of Medicine
