## MODERN FAMILY CAST AND CREW FILM AT ONE&ONLY HAYMAN ISLAND

### Modern Family enjoy Great Barrier Reef after filming Australian family holiday episode

**Great Barrier Reef, Australia, 21 April 2014**— Members of the cast and crew of Modern Family filmed at One&Only Hayman Island, located in the heart of the Great Barrier Reef, as part of the Australia family holiday episode. The cast and crew also managed a little time to enjoy the private island between shooting. The exclusive preview of the One&Only Hayman Island resort comes ahead of the official opening on 1 July 2014, following a multi-million dollar transformation.

The award-winning ABC comedy series will feature the TV families enjoying the Whitsunday's Great Barrier Reef in Queensland. The filming throughout Australia was followed by days of intense media speculation as to the movements and itineraries of the cast and plans for the show.

"We're grateful to the folks from One&Only for their hospitality on Hayman Island," said Steve Levitan, co-creator, and executive producer of Modern Family. "After our hectic shoot in Sydney, it was perfect to wrap things up at such an exotic, beautiful and private place. It was an experience we will always remember."
